

Ollie Crawford

Web Developer

👤 Profile

Web Developer adept in bringing forth expertise in design and implementation of front end technologies. Able to effectively self-manage during independent projects, as well as collaborate as part of a productive team. Always willing to learn new technologies for a project.

📁 Employment History

Junior Web Developer / Onsite Technician at LiveBuzz, Coventry

January 2023 — Present

In this role, I create bespoke registration websites for customers to sign up to attend trade conferences primarily using PHP, JS, HTML and Bootstrap. I also design and create marketing and registration emails that go out to thousands of customers.

This position also requires me to attend events in person to set up, manage and troubleshoot registration desks for customers to sign in to events.

Supply Teacher at Aspire People

September 2022 — January 2023

Teacher of Maths and Computer Science at Ashlawn School, Rugby

January 2020 — September 2022

🎓 Education

PGCE Secondary Mathematics, Bishop Grosseteste University, Lincoln

September 2017 — September 2018

★ Experience

HyperionDev Bootcamp

December 2022 — March 2023

Web Development

October 2021 — January 2023

Self-taught using various courses, focusing mainly on The Odin Project. From this course I have learnt how to create full-stack web applications capable of CRUD methods while keeping code simple. I have demonstrated the ability to create responsive, aesthetically pleasing websites of consistent themes.

⚙️ Courses

Web Development, The Odin Project

October 2021 — Present
